

NEW BRIGHTON TAKES LOOSE GAME FROM CHARLEROI HIGH

Locals Were Not Up to
Standard of Former
Contests

WOBBLY RULING OF REFEREE

To the casual basket ball observer it would appear that the Charleroi high school basket ball team "shot its bolt," judging from its performance in the game against New Brighton, on the latter's floor, last evening; and unless the squad takes a pronounced brace, a much lower standing in the percentage column must inevitably result. In one of the most loosely played contests—that is, as far as Charleroi was concerned—New Brighton proved an easy victor, winning by a score of 38 to 19.

There was a splendid attendance, the armory being filled to the utmost. A distinctive pleasure of the evening's affairs were the efforts of a semi-chorus of about a dozen attractive young ladies, who sweetly dispersed several popular songs, to the accompaniment of their ukuleles. One regrettable feature, even in so representative an audience as that of last evening, was the presence of a few hoodlums, who eager for something which savored of the prize ring, more than they cared for a display of basket ball science, kept hurling anathemas at the visiting players, and beseeching their representatives to "go in and do them up." This is far from being a display of the proper spirit, and every effort should be restored to put an end to such a refractory practice. Bad feeling was rampant during the second half of the game, and two of the players, Kocher and Wagner, were removed from the game by Referee Weitzel—who, by-the-way, gave a most feeble demonstration of what an arbiter should be—for slugging. Kocher was put out of the game for striking Wagner, as the latter lay on his back on the floor. Later, Wagner was eliminated, for unnecessary roughness, according to the referee. There was no sense at all in this ruling. Wagner undertook to dribble the ball down the floor. An opposing player came tearing towards him. Without hesitating, the local boy went straight ahead. When the smoke had cleared away, the opposing player lay on the floor, and for this, another player in Wagner's stead was demanded by the referee. The fair thing, under the circumstances, would have been to have called a foul on Wagner, but there really was no reason in ruling so arbitrarily. The removal of Wagner, together with painful accidents to Brown and Weaver, both of whom sustained sprained ankles, necessitated constant changes in Charleroi's line-up, and it was fortunate that there was an adequate supply of substitutes on hand.

Of the game itself, it can be said that during the first and second periods of play, there was certainly nothing to it but New Brighton. The latter played like a house afire, so to speak, while Charleroi seemed to be standing still. The bright, parti-

FORMER RESIDENT DIES IN MILLSBORO

Thomas Madigan, proprietor of the Hotel Moore, Millsboro, and a former employe of the Hotel Walfred of Charleroi, died at his home in Millsboro on Monday noon from an attack of tonsillitis. He had been ill for about a week. Funeral services will be held from the Church of the Transfiguration, Monongahela, Thursday morning at 10:30, with interment to follow in the Monongahela cemetery.

CAPTAIN HONORED IN HIS HOME TOWN

Capt. James E. Gee, who served with the American Expeditionary Forces in France during the World War, was elected treasurer of Monongahela, by the council of that city, on Tuesday evening. He will fill the unexpired term of the late Charles Wickerham, who died last week. He will serve until January, 1924.

Capt. Gee had a very thrilling experience during his service in France, being captured by the Germans on the day they began their great advance on Paris, July 15, 1918. He was held for a period of five months, before he was released and allowed to return to the American army. Capt. Gee entered the service as First Lieutenant with Company A, 110th Infantry and returned as Captain and in command of his Company.

ular star of the game was the clever New Brighton center, Boren, whose work was especially efficient. He scored four field goals, and accepted eighteen out of twenty-one chances at foul goals. If his play of last evening may be accepted as a criterion, he certainly has no superior in the whole scholastic circuit. While practically all the boys on both teams played hard and earnestly, the work of Boren so far outshone that of any other player, that any further reference is unnecessary. After Weaver entered the game for Charleroi, the spirit of the whole team changed, and the players quickly reduced the big lead acquired by the home team. But this was not for long, because the injuries to both Brown and Weaver sent adrift whatever hopes the locals had of winning. At the conclusion of the game, light refreshments were served the visiting players by the management of the New Brighton team, and this kindness met with the deepest appreciation. The summary:

Charleroi—19 New Brighton—38
Wagner.....F..... Lewis
Stephens.....F..... Morrison
Burnett.....G..... Boren
Webster.....G..... Kocher
Brown.....G..... Salamone

Substitutions: Charleroi—Weaver for Stephens, Daniel for Wagner, Stephens for Weaver, Gray for Brown; New Brighton—Colvert for Kocher, Coene for Colvert. Field goals—Stephens, Burnett, Webster, Weaver; Lewis 3, Morrison 2, Boren 4, Kocher.

Donora "Moonshine" Distillery Plant was Doing Big Business

Four men were arrested in connection with the operation of the big "moonshine" still in Donora on Saturday last and lodged in the lockup for a hearing before a justice of the peace of that town. The defendants are Jacob Weinstein, Harry Shectar, Joseph Radon and David Rosenstein. A charge of conspiracy to violate the liquor laws of the state and nation will be made against them.

The plant was inspected on Saturday afternoon by Assistant District Attorney Warren S. Burchinal and County Detective John Weiner and it was not only found to be complete in every detail, but it had on hands a large number of spurious labels, for the purpose of marking bottles filled with the liquor.

The men arrested made admission on Saturday evening last as to the parts they played in the operation of

the distillery. The liquor which they manufactured consisted of 50 per cent alcohol and 50 per cent distilled sugar-syrup. The men stated they made a fermented syrup by the use of brown sugar and yeast and this was distilled in the big tank provided for that purpose, and mixed with pure alcohol. The product was then colored with a dye and a touch of glycerine added to give it a "head." The finished product closely resembled whiskey and had enough "kick" to satisfy the most depraved appetite.

One of the defendants stated they had an order for a large number of cases from a "man in Monessen," which was to have been delivered on Monday at \$40 per case. The Donora police not only confiscated the liquor but likewise a large shipment of pure grain alcohol, which was being delivered at the plant Saturday afternoon.

HOTEL IS ADDING MANY MORE ROOMS

Some alterations and improvements are being made at the Hotel Charleroi, by W. H. Zellers, the proprietor, seven guest rooms, which will give that hostelry approximately 60 guest rooms.

At the present time the former dining room on the fourth floor is being transformed and fitted up for seven guest rooms, which will give the hotel a total of 50, which can be used by the traveling public. When these seven have been completed the management then expects to begin on the kitchen, where a similar number of rooms can be fitted up. These additions, together with some other changes that can be made in the building will give the management about 60 rooms which can be utilized for the benefit of transient guests.

The management also expects to utilize the dining room on the first floor for the benefit of transient guests as well as citizens of Charleroi and when arrangements have been completed, meals will be served by the hotel management as formerly.

The addition of these rooms will go a long way toward meeting a demand which has become quite acute in Charleroi, and which has caused a lot of inconvenience to the traveling public.

AUTO THIEF DRAWS A HEAVY SENTENCE

In criminal court of Allegheny county on Tuesday Judge Henry C. Quigley, who was presiding, sentenced Jack Dorr, aged 19 of Hoboken, N. J., to serve not less than 14 nor more than 20 years in the Western Penitentiary for automobile thefts. A companion of Dorr's escaped when the former was arrested on the South Side, Pittsburg.

Born—February 9 to Mr. and Mrs. James P. Dwyer 536 Fallowfield avenue a son, James P. Jr.

Foul goals—Wagner, 7 out of 12; Webster, 4 out of 6; Boren, 18 out of 21. Scorers—Miller and Wallace. Tire keepers—Daniel and Woodlong. Referee—Weitzel.

OFFICIALS HOME FROM GOOD ROADS MEET

The county commissioners, county engineer and county controller have returned from Chicago, where they attended the National Road Congress held in that city last week. They reported a successful convention and great enthusiasm for improved highways throughout the nation. Leaders in road improvement work from many states were present and addressed the audiences with tales of what had been accomplished in their localities and the great work yet in prospect.

A number of improved roads in the vicinity of Chicago were inspected by the local officials and investigations made of the quantities of various materials used in road construction. The Washington county men also visited the plants of one or two concerns engaged in the remaking and fabricating of structural iron for bridges, with a view of ascertaining whether or not some of the rebuilt structures could be used over local streams.

SURPRISE PARTY BY LADIES' AID SOCIETY

Monday evening members of the Ladies Aid Society of Christ Lutheran church and some friends surprised Mrs. D. F. Worthington 215 Lookout the president of the society by visiting her to the number of nearly half a hundred.

She was presented with a cut glass cream and sugar set and a potted plant. The surprise party was an expression of appreciation of her faithfulness and untiring efforts in behalf of the society and church work. An enjoyable evening was spent in playing various games and visiting after which a plate lunch was served by the committee in charge.

PROSPECTS MUCH BRIGHTER FOR IMPROVED RIVER ROAD

IDLE LABOR IS BEING USED ON ROAD WORK

The road supervisors of Lower Tyone township in Fayette county have hit upon a novel plan to provide employment for the miners in that district working in the small vein mines hit by the depression in the coal market. In addition to providing employment for over 100 of these men the supervisors have gotten a good start on their road improvement work in the township occasioned by the unusually open winter.

SHERIFF GRAY IN CRITICAL CONDITION

Sheriff Alexander B. Gray is lying at his home in Washington in an unconscious condition, and grave fears are entertained for his recovery. At this time his condition is very critical, and physicians hold out no hope to members of his family or his friends.

Sheriff Gray's troubles date from the time when he was in the Army when he suffered from an attack of influenza. As a result of this attack the frontal sinuses tubes have given him a great deal of trouble filling with pus, which had to be cleaned at frequent intervals.

On Monday Sheriff Gray went to the hospital at Washington for another operation, at which time a small portion of affected bone was removed. He apparently recovered from the effects and Tuesday afternoon walked to his home at the Sheriff's residence. He was about the house all afternoon, but at 6 o'clock he was seized with convulsions and became unconscious. It required the efforts of several strong men to hold the Sheriff in bed, when the convulsions would come on, and all night through physicians were in constant attendance. The blood pressure of the patient was very high, and 20 ounces of the fluid was removed, which seemed to ease his condition, but did not restore him to consciousness, in which condition he remained at noon today.

His family were summoned to Washington and are now at his bedside, awaiting developments.

The critical illness of the Sheriff has cast a gloom over Washington, where he is very popular.

All Obstacles to Construction Work Being Gradually Removed

DETAILS NOT YET COMPLETED

"Everything is satisfactory," is the word today with reference to removing all obstructions which might tend to hinder in any way the improvement of the river road between Speers borough and Allenport.

Unless some unforeseen circumstances should arise it is expected by officers of the Charleroi Chamber of Commerce to have all rights of way signed up and all damages that might arise properly indemnified within a very short time, thus allowing the county and the state to go ahead with this important project which has been held in abeyance for so many years. Officials are not yet ready to give out details, for there are a few rights of way to be signed up yet, but as the property owners have agreed verbally to grant these privileges, no trouble is anticipated in securing signatures when the proper papers have been prepared.

All of these details should be out of the way within a few weeks, and then it will be up to the county and state. A new roadbed will be prepared for the Pittsburgh Railways company, and thus all crossings between Speers and Allenport will be eliminated. A hearing which was to have been held before the Public Service Commission in Pittsburgh on Thursday on this question has been postponed, and if all details are arranged as now anticipated it will not be necessary for state officials to give the question a judicial survey.

Prospects for the new road are indeed very encouraging, and or this state of affairs the new Chamber of Commerce of Charleroi is primarily responsible.

NEW MEMBER APPOINTED ON EXAMINING BOARD

Upon petition the Washington county court has appointed Michael Timlin of Roscoe, as a member of the examining board for the 21st Bituminous District of Pennsylvania to succeed the late Michael Dooley of Charleroi, who died October 23, 1920. The other members of the board are Charles E. Byrne, Inspector and Joseph Edwards, superintendent.

MCKEAN AVENUE PROPERTY CHANGES HANDS

By deed dated February 1, 1921 William U. Evans and others, of Charleroi, have conveyed to Erastus C. Robertson and others, a piece of property on McKean avenue, 22x100 feet, the consideration being \$13,000.

In the suit of T. J. Underwood against Ludwig Bresofskey, involving title to a lot in Donora, the final decree of the Washington county court has been signed, declaring the title to said lot to be in the plaintiff and valid and indefeasible.

WHAT IF ANY?

The Senate had adopted a resolution presented by Senator Henry Cabot Lodge of Massachusetts, the Republican leader, calling upon the President for information as to what if any, steps have been taken in the interest of the claims of Americans whose ships and cargoes were seized by the British government during the war. It is understood that the Chicago packers had millions of dollars' worth of meat products diverted into English ports which were destined for Sweden, and that they were kept there until spoiled with no reparation or adequate explanation for the coming from England.

WOMEN CONTINUALLY OVERDO

This applies to all women, regardless of caste or color. The ambitious girl striving for school honors, the overworked housewife, the shop girl, girls in offices and stores, and the society woman, all climb too high, overtax their strength and what follows? Nervous prostration, sleeplessness, backache, headaches, and the inevitable weakness and ailments peculiar to their sex soon develop, which unless checked bring on more serious conditions and which often lead to operations. An efficient restorative for such ailments is Lydia F. Pinkham's Vegetable Compound, which is now recognized from coast to coast as a standard remedy for woman's ills.

When all the nations of the world reduce their armies to the proportion which ours bears to the total population, it will be time to talk disarmament.

GLAND TONIC BUILDS STRENGTH AFTER ILLNESS

Physicians say that severe colds and other sicknesses act as a drain on our glands and as a result we are often left "all in" for many weeks following an illness. Our glands, they say, govern the building up of the billions of life cells in our bodies. Thus, when our glands become run-down our bodies also become run-down and we suffer with anæmia, premature old age, nervousness, loss of strength and vitality and many other distressing symptoms. Thousands of run-down people are regaining their youthful health and strength by feeding their glands with extracts taken from the glands of healthy sheep and goats. These extracts, formerly very hard to obtain, are now available to the public under the name Glandex Compound which also contains a special form of iron. All druggists have it. Guaranteed to build you up within two weeks or money back.

The Bolsheviks have made such a mess of Russian finance that it now takes 19,000 soviet paper rubles to equal one American dollar.

Spring Sale

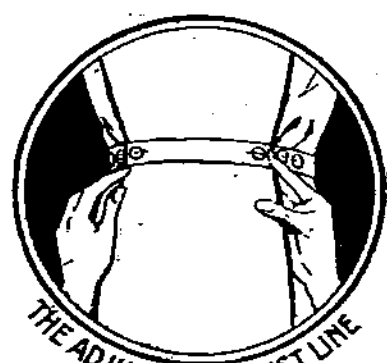

Burnon BRAND

Dresses

With the Four Famous Features
They fit all women perfectly

Here It Is! Our Ever-Welcome FEBRUARY SALE of House Dresses

A Complete Display of All the New Spring Styles in a vast variety of Models of Unusual Charm

Just button two buttons and the dress conforms with any type of figure and fits perfectly at every point.

Just pull a thread and the skirt is lengthened. No ripping or restitching of seams necessary for this alteration

Never before have we presented to our patrons a more attractive collection of Dresses than these, and it is quite unnecessary to explain in detail, the merits of these dresses which are nation-wide celebrated because of the faultless fit, their Famous Features, their fineness of quality, and superb style.

The announcement of this Sale's start will call forth a tremendous attendance of women eager to purchase these Dresses of acknowledged and proven superiority.

Here are the Four Famous Features Found in —
—These Dresses—

Under Arm Shields that provide double service at points where all dresses show first signs of wearing out.

Two pieces of dress material attached to each dress. Ready for neat mending purposes in the event of rip, tear or wear.

Most Welcome of All—Is the Moderate Pricing of the Dresses on a Basis of Pre-War Standards

By delaying in the purchase of these dresses until the market reached its lowest level, we bought to the greatest advantage and now offer to our patrons, values of unusual character, which may truly be said to rival those of pre-war days. Nothing but a personal inspection of the garments can convey a true understanding of their quality and value.
